PROFILE

My name is Charles Nguyen, and I am currently enrolled at UC San Diego. I am passionate about computer science as well as video editing and photography. I also love helping out the community and am a very dependable person. I am always looking forward to learning new skills and am constantly motivated when reaching my goals.

JOB EXPERIENCES

Chadwick School
Summer Digital Film Instructor, Summer Camp Counselor | 2022/2023
In 2023, as a Digital Film Instructor at Chadwick, I instructed students in extensive filming and editing techniques. In this position, I adapted my teaching style to meet the individual learning requirements of each student, ensuring that they fully comprehended fundamental concepts such as perspective and transitions. Concurrently, I adopted responsibility for monitoring the health and safety of students during filming sessions, adhering to established health protocols to ensure the safety and security of all participants. In addition, I taught students invaluable Adobe Premiere Pro skills, enabling them to liberate their creativity and master the art of constructing captivating edits that brought their cinematic visions to life.

In 2022, as a camp counselor, my main job is to look after the students and make sure they're safe. I also help out with organizing different events and ensuring that the students get to their classes on time. As part of my role, I assist the instructors as a teacher assistant whenever they need it. I was also given the opportunity to be a substitute teacher for an introductory coding class and an algebra class. When I filled in, I taught the coding class the basics using Scratch, and for the algebra class, I covered formulas and concepts using Desmos.

EXPERIENCE HIGHLIGHTS

Leuzinger Key Club
President & Member | 2019 - 2022
Through my membership in the Leuzinger Key Club, I had the opportunity to assume various positions and eventually ascend to the role of President. This journey allowed me to exhibit strong leadership qualities and serve as an inspirational figure for fellow members. By effectively coordinating the efforts of our team, teachers, and the school itself, we were able to engage in meaningful community service initiatives while simultaneously raising funds for non-profit organizations.

ACADEMIC BACKGROUND

Advanced Academics Academy (AAA)
Leuzinger HS Academy | 2018 - 2022
The Advanced Academics Academy provides a top-tier educational experience, delivering rigorous instruction within a close-knit learning community comprised of high-achieving individuals. Being a part of this academy enabled me to excel academically by providing exceptional learning opportunities. Additionally, it facilitated valuable connections with both the school and teachers, which I can leverage for future endeavors.

Multimedia Careers Academy (MCA)
Leuzinger HS Academy | 2018 - 2021
The Multimedia Careers Academy nurtures a community of innovative thinkers, adept problem-solvers, and skilled technological artists. Within this academy, students engage in collaborative work and creative projects to foster personal growth, artistic development, and academic advancement. Being a part of this esteemed academy grants me the opportunity to learn and refine my skills utilizing popular business software such as Adobe, Unity, and Final Cut Pro.
